# HARD TOPS - JK / TJ

**2 Piece Design**  
FOR WRANGLER JK

## HARD TOP FOR JK, TJ

Smittybilt is now offering one of the quietest feature-rich tops on the market. Each top starts off with the thickest gel coats available, then hand-laid using only the finest materials. Each top is lined with a military spec mildew free carpet liner which delivers one of the quietest rides available. OE-style latches and rear mounting hardware makes this top an easy install – no drilling or modifications to your vehicle are required. When you're looking for the quietest and highest quality top ever produced, look to Smittybilt to have you covered up!

- Honeycomb, hand-laid fiberglass for extra strength and rigidity
- Contoured DOT-approved safety glass – 31% Tint
- Military spec mildew-free carpeted headliner
- Thickest UV stable gel coat available
- Textured grain finish complimenting the looks of today's Wranglers
- OE-style front latching mechanism
- New and improved aerodynamic shape
- De-tuned air vent
- Available with or without upper doors
- Fits factory Jeep JK and TJ

## HARD TOP HOIST

One of the biggest selling features of the Jeep Wrangler is the ability to remove the top and doors, allowing you to enjoy the open road to the fullest. However, removing the factory hard top has always been a hassle... until now. Smittybilt is proud to introduce the most complete hard top hoist system on the market. The backbone of the system is a sturdy frame that balances the top and includes rubber stoppers and coated hooks to prevent scratches. A 1/3 horsepower electric winch is included that attaches to the Smittybilt frame to safely and easily lift the hard top off of your Jeep. No more need to hurt your back or beg your buddies to help! Once the top is removed, exclusive Easy-Glide wheels allow you to move the top around your garage for storage.

- 200 AMP 1/3 HP AC winch that lifts up to 440 lbs
- Exclusive Easy-Glide wheels
- Frame, electric winch and all hardware included
- Built in limit stops and internal brake
- Exclusive rear window bracket allows hooking rear of top without window distortion
- Compatible with 2- and 4-door JKs, YJ and TJ
- Integrated storage included for 4-door JK Freedom Top panels

Bowless Combo Top  
Fully open

Bowless Combo Top  
Closed for foul weather

Bowless Combo Top  
TJ version, rear window only open

## BOWLESS COMBO TOP

The new Bowless Combo Top from Smittybilt is the most adaptable Jeep top on the market. If you're hitting the trail and clouds roll in unexpectedly you can quickly transform your Jeep so it is protected with a weatherproof full top. When the sun returns, simply zip out the side and rear windows and you're back to crawling in the open air again. When you're not on the trails, the Bowless Combo Top can function as your everyday primary top. Added conveniences includes the internal storage compartments, MOLLE attachment straps and easy access, internal storage of your side and rear curtains.

- Converts to extended top with removable side/rear windows
- Marine grade, durable vinyl-coated material resists fading and stretching
- O.E.M. diamond-style fabrics
- 30ml DOT-approved tinted vinyl windows
- Seams and stitch holes are sealed to prevent leaking
- Self-correcting zippers run smoother and last longer
- Heavy duty hook-and-loop system
- Note: This top requires the use of the factory door surrounds and tailgate bar, as well as a header windshield channel (sold separately).

## SOFT TOPS - Premium Soft Tops

**EXCEPTIONAL COLD-WEATHER PERFORMANCE.**

**EXCEEDS SAE J323B  
STANDARDS OF -22° F**

**10DB QUIETER THAN STANDARD TOP**

### PREMIUM SOFT TOP

Smittybilt's all new Premium Replacement Top offers exceptional cold-weather performance with ability to handle frigid temperatures. These tops feature high definition, 40ml DOT glass – the thickest in the industry – for reduced noise and extended soft top life. The quarter panel and rear windows are 30% dark tinted for privacy and security. We've also upgraded the top with a 30 oz. multi-layered, wrinkle free material that is 24% thicker than OE specs. The sleek European styling of the outer canvas layer covers a core of waterproof PVC; the smooth cotton canvas of the interior adds luxury and lowers ambient road noise. Double-layered stitching with UV-protected thread and maximum-strength, self-correcting zippers makes this great for the most extreme weather conditions.

- Crystal clear, high definition 40ml DOT vinyl
- 30oz multi-layered, wrinkle free material
- Triple-layered for maximum noise reduction
- Maximum UV protection
- Note: Requires factory original hardware for installation

## CLOAK EXTENDED MESH TOP (LONG BRIEF)

Smittybilt is proud to introduce their new Cloak Extended Mesh Top, which allows you to enjoy the open air in the shade of your Jeep's passenger compartment. Available for 97-06 Jeep Wrangler TJs and both two-and four-door 07+ Jeep Wrangler JKs, the Cloak is made from durable PVC-coated mesh that is resistant to both ultraviolet rays and mildew. Double layer stitching allow the cloak to shrug off even the largest gusts of wind. The long brief installs easily using heavy duty bungee cords and no tools are required. It fits under standard hard tops or soft tops.

- Easy install, no tools needed
- No header required
- Stays on with hard or soft top installed
- Reduces wind noise
- Installs with heavy duty bungee cords
- UV- and mildew-resistant
- Durable, long lasting PVC-coated mesh material
- Reduces the heat and glare of the sun while allowing cool air to flow through

## EXTENDED MESH TOP (LONG BRIEF)

When it's time to play and you want a quick and simple way to stay out of the sun look to Smittybilt to have you covered up with the Extended Mesh Top. It gives you the best of both worlds – it reduces the heat and glare of the sun while allowing the cool air to flow through the unique mesh design. The durable UV-treated material, oversized heavy duty nylon webbing and buckles will provide a lifetime of service.

- Manufactured out of durable UV-treated material
- Heavy duty nylon webbing with reinforced cross stitching
- Heavy duty buckles made out of reinforced nylon – designed to last forever
- Extended top versions will cover front and rear seats
- New design eliminates the need for a rear strap so they won't flap in the breeze
- 3 Year Limited Warranty
- NOTE: Windshield channel sold separately

## CARGO RESTRAINT - C.RES

### C.RES CARGO RESTRAINT SYTEM

When you're charging through the hammers, the last thing you want is your gear flying out. To avoid this, look to Smittybilt to provide you with a cargo restraint system. The C.RES top is manufactured out of OE soft top material, which is durable and will last you a lifetime. With a rear zippered curtain you're not limited to the size cargo you can carry.

- Mounts into the factory belt rail channel and straps around the factory roll bar for perfect fit
- OE diamond black finish
- Industrial grade zippers
- Please note: TJ/YJ applications require factory tailgate channel\*. JK applications require Smittybilt tailgate bar (or factory tailgate channel)\* and factory door surround†.

## C.RES<sup>2</sup> HD - **CARGO RESTRAINT**

### C.RES<sup>2</sup> HD CARGO RESTRAINT SYSTEM

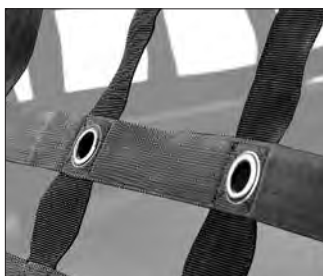

The newly designed C.RES2 Heavy Duty top features 2-inch military grade polyester webbing with an amazing 1,200 lbs of tensile strength. Designed not to interfere with factory mounting points for soft top or hard tops, the C.RES2 can be left on when not in use.

- Works with most hard tops or soft tops
- Easy to install with no tools required - does not interfere with factory mounting points
- Rugged, triple stitched 2-inch polyester webbing
- Provides coverage from the sound bar to the tailgate
- Side and rear curtains included
- Nylon reinforced buckles and black oxide grommets for hook up points
- Quick release access to cargo
- Steel grommets for extra hook points

# CAB COVERS & STORAGE

## CAB COVERS

Constructed with new space age fabric, Smittybilt covers protect your vehicle from the elements. Soft and durable fabric pampers paint finish and protects from sun, dirt, dust, moisture and pollution. A unique diamond bond pattern allows damaging trapped air and moisture to escape, preventing paint deterioration. Covers are UV-protected against sun and heat buildup and are manufactured from naturally water repellent spun bond polypropylene. Double-stitched elastic hems allow for a custom fit.

- Durable, water-resistant material
- Installs in just seconds
- Fits snugly over the windshield frame and roll bar
- Features heavy duty grommets, mirror pockets, lock and cable
- Complete covers include storage bag (full cover only)
- Note: For proper fit, soft top must be lowered

## XRC PERFORMANCE SEATS

This line up of race seats was developed for the true off-road enthusiast who demands the very best in suspension seat technology. Each XRC seat starts off with a Kodiak frame which is one of the strongest tubular frames in the industry. A high performance foam pack with a contoured single suspension liner provides the ultimate in comfort and quality. Each seat is covered with mil spec fabric and vinyl material. With its fixed headrest design and fully adjustable reclining system, the XRC Seat gives the look and performance needed for every situation. Matching rear seat covers for Jeep Wranglers applications also available.

- Dimensions: Height 34.50", Width 20.50", Seat Depth 24.50"
- Mounts up to CJ / YJ applications directly to the factory sliders
- TJ / JK applications require additional brackets.  
Sold separately - see page 81.

# SEATS - Replacement Seats

## REPLACEMENT SEATS

When you're looking for a quality replacement seat, go with one from Smittybilt. Each seat is manufactured to the exact specifications OE's require and features poured foam which provides the proper density needed in key areas of the seat. Seats are manufactured from a tubular frame and then powdercoated for long life. The trim cover is the toughest in the industry and is available in a variety of colors to complement your Jeep®. Each front seat is available in either a classic fixed back style or recliner to provide the optimum in comfort. If you're looking for a high quality and very comfortable seat, then look to Smittybilt.

### [ A. ] LOW BACK BUCKET SEATS

## SEAT COVERS - Neoprene / Katch-All

### NEOPRENE SEAT COVER SETS

Custom fit Smittybilt Neoprene Seat Covers provide an extra layer of protection and style for those looking to either refurbish old, worn seats or help keep new ones in pristine condition – all at an affordable price. Previously sold individually, these neoprene seat covers are now available as a complete set.

Each cover is 100% neoprene – not just front panels like other brands – and provide a custom fit for all Jeep Wranglers, including the seat design revamped in 2013. Front seats come in pairs and the matching rear cover features a center section that is padded and pleated for comfort. They are easy to install with no tools required.

- Each kit consists of front pair and rear seat covers
- Constructed of durable neoprene for protection and long life
- Custom fit for all Jeep® Wrangler vehicles – including the revamped 2013 seat design
- Center section is padded and pleated for comfort and durability
- Easy to install with no tools required

## G.E.A.R. SEAT COVERS

The ultimate storage solution for your off road vehicle! The G.E.A.R. seat cover is a completely new way of looking at storage for your off-road needs and fits factory and most aftermarket seats from 1976 to 2015. Each cover is completely adjustable and manufactured from 600 denier polyester with a PVC liner. Each seat includes pouches that fasten securely using a MOLLE/PALS Restraint System, which will not come loose under the harshest off-road conditions. Pouches can be moved around for ease of use or transferred to any backpack or bag with the MOLLE/PALS attachments. Seven pouches of various sizes are included with front seat covers. Five large multi-compartment pouches are included with rear seats covers. A removeable American or Canadian flag is also included with each front seat cover as an added bonus! See part numbers on following page.

### VAULTED GLOVE BOX

- Mounts into O.E. glove box hole and turns ordinary box into security vault
- Heavy duty, 16-gauge steel
- Locking compartment will secure your valuables and give you piece of mind during off-road adventures

*"One night I left [my Jeep] parked at the Portland Airport for a few hours. Unfortunately, that was enough time for someone to think he could break in and rob me. Obviously armed with a crowbar the robber pried and pried unsuccessfully to gain access to the Smittybilt console. My tool kit and controller remain in my possession due to the Smittybilt floor console that was so designed well. Thank you for making such a great product."*

— Marc and Michelle C.

## SECURITY FLOOR CONSOLE

- Constructed of 16-gauge steel for heavy-duty security
- Lockable security compartment protects your stereo, CD player, CB or scanner while you're away from your vehicle
- Black powdercoat painted base and color matched arm rests
- Includes dual adjustable front cup holders to fit all sizes of cups and bottles
- Bolts directly on to the floor, hardware included
- Fits between the seats of all '76-95 Jeep Wranglers

YEAR	MODEL	PART#
07-16	Wrangler JK 2/4-DR	878132

The new line of stainless steel accessories for the 2007-16 Wrangler has been completely redesigned to offer you the highest quality parts available. Each part starts off as chunk of solid 304 marine grade stainless steel. It's then cast in a pretreated mold which provides a part guaranteed to meet OEM Specifications every time. Once the casting is complete each part goes through an electrostatic polishing process that creates a high quality mirror finish. When you want a quality part that will fit and is built to last look to Smittybilt!

All stainless steel accessories:

- Manufactured from solid cast 304 "Marine Grade" stainless steel
- Electrostatic polishing provides a mirrored finish
- Easy to install! No drilling or modification to the vehicle
